Art In The Park is the finale of the Brockley Max Festival on 4 June 2022 on Hilly Fields. It is a free and accessible family day with a stage for live music and dance, children's art workshops, storytelling, food stalls and a craft market by local artists and makers. The delivery organisation will partner with Felix's School of Rock, Lewisham Migrant & Refugee Network, the Refugee Café and Create Without Borders.

The project aims to:

- engage and enrich the community by bringing together more than 1000 people in an arts event
- provide opportunities for children and young people to perform, volunteer and engage with the arts
- provide a platform for migrant and refugee artists and performers to engage with the wider community
- re-engage previous and new volunteers.

The association aims to create a community garden/community facility.

The only shared amenity is lawn only, which offers limited benefits to the residents or local wildlife and encourages local cars to park to avoid local restrictions.

The TRA has connected with landscape gardeners and Grow Lewisham and together provide regular sessions to create and maintain the space and encourage local residents to join.

Benefits and improved quality space to grow food and plants whilst the 21 children will benefit from a garden with integrated play and biodiverse planting. Activities enabled by the garden to promote children's independence, self-esteem and build social skills through outdoor play, learning and environmental awareness.

This is a very multi-cultural and diverse block whose residents want to celebrate their diversity through the different types of food that they can grow.
